

Bethel Planning Commission

March 20, 2013

Members Present: Andrew Delaney (Chair), Fred Dieffenbach, Peter Dohrn

Nonmembers Present: Chris Sargent (TRORC)

1. Call to Order: 7:10 pm
2. Review / Revise Agenda: No changes to draft agenda.
3. Minutes Meeting of Feb 20,2013: Approved as distributed.
4. Correspondence: Notice of hearing – Townsend Farm to take 59000 + gal of brewers waste for use as fertilizer.
5. Town Plan

Discussion on Wind Projects , Biomass generation and Solar projects.

A general discussion on the solar project in Sharon, wind generation – both commercial and private and the size of a farm needed to produce manure for a biomass generator. A website that deals with these projects – VTENERGYATLAS.ORG was looked at and it showed where a potential wind project might be sited.

Next Meeting April 17

6. Adjourn
