

Bethel Recreation Committee

Meeting Minutes

May 11, 2016

- A. The meeting was called to order at 6:36 p.m.
- B. In attendance were Corey Stearns, Dietre Feeney, Ele Griffin, Carl Russell, and Maureen Judge.
- C. Carl Russell talked to the committee about future program and master plan development. Maureen Judge gave the committee a look at how the Recreation Committee operated when she was on it 15 years ago.
- D. Personnel: There are two more lifeguard applicants. Ele and Fran may interview them. Since Allison as Pool Director has been a part of the interviewing process, Ele will ask that the new Director and Asst. Director be a part of these interviews.
- E. Facility: The committee was given information that a new pump for the pool has been acquired. The committee was shocked to hear that news since the pool received a new pump 5 years ago. In addition, 3 years ago the town fixed the pipes connected to the pump. We were also given information about needing a new gel-coat. Again that was shocking news especially since last August at the end of the summer session report the administration assured the committee that the pool would in the Spring need only the basic normal tasks to have it ready for opening day.
- F. Markle Foundation: Ele explained to the committee how we obtained the funds since we did not apply for them. She also explained that there are no stipulations or time limit on when the funds need to be used. Ashley Lincoln assured Ele that she would not be micromanaging the gift. The committee is looking into ideas of how to take care of this gift.
- G. The April minutes were approved.
- H. Our next meeting will be June 8th.

Minutes respectfully submitted by,
Ele Griffin
