

Bethel Recreation Committee

Meeting Minutes

Thursday, February 2, 2017

- A. Meeting was called to order at 6:34 pm.
- B. In attendance: Dietre Feeney, Corey Stearns, Ele Griffin, Brendan Butler
- C. Brendan shared with the committee that he has started looking into ways to apply for help for tennis courts. This time of year USTA rolls out information on their grants and special options for communities. Brendan let us know that he sent in a request to USTA.
- D. Dinner/Concert Event: The committee talked about figuring out how many people we could have for the dinner. It was decided that we would contact Willy Walker and meet at the Town Hall during the week to count tables that would fit. That way we would know how many tickets to get to sell. Corey will contact Spalding Press about printing tickets.
- E. Town Meeting: Ele let Jean Burnham know that we want to have a table at Town Meeting. Dietre is working on a display. Corey volunteered to be our spokesman for the committee's request for an additional \$30,000 for the improvement fund.
- F. Ele reported that she contacted Tim Murphy, the teacher at Randolph's Building and Trades. She inquired about the possibility of his class building picnic tables for the center. He answered that they have a very busy schedule, but may be able to squeeze it in at the end of the school year. Tim asked the question of who would provide materials. The committee will work further on that issue. Corey talked to Rodney Pratt about grills and is working on more information.
- G. The minutes of January meeting were approved. The next meeting will be Thurs. March 9th at 6:30 pm.

Minutes respectfully submitted by Ele Griffin
