

Bethel Recreation Committee

Meeting Minutes

Wednesday, June 10, 2015

- A. Meeting was called to order at 7:00 p.m.
- B. In attendance were Fran Staples, Lucien Hinkle, and Ele Griffin.
- C. Fran Staples had been absent from our May 27th meeting. The committee updated Fran about events concerning the committee with sign-ups, Master Plan Architect meeting, and the open lifeguard position. Ele shared with the committee Abbie's recent e-mail asking the committee for more support and help with such pool activities such as Open House and Activity Nights. Upon a lengthy discussion with a lot of confusion, Fran suggested that we find out what the expectations and duties of the Recreation Committee are. Fran felt that if Keith, the Town Manager had clear written functions for the committee, it would alleviate our confusion. Ele will follow-up on that.
- D. Summer Pool Program; Activity Nights: The committee came up with suggested activities. We thought a night of croquet, a night of bocce ball, and a night of corn hole and ladder ball would be good to provide for the community. It was suggested that we make a request that at least one of the Co-Directors attend our meetings. Committee members said that they would try to stop by the pool during the summer.
- E. Fund Raising: The committee has gotten the approval of the donation letter to tennis players. Fran suggested that we hold a tennis camp for children any age over 5 yrs. old. It would be a week of free tennis lessons. The only requirement would be that families give a donation.
- F. Master Plan: The committee shared with Fran our talk with the Selectboard. The Selectboard requested that Keith make a phone call to VIA about pool house design. Lucien asked if any of us had heard from the Town Manager concerning follow-up on pool house design. It was noted that no one has heard anything.
- G. Minutes of May 27th meeting were approved.
- H. Our next meeting is scheduled for Wed. July 8th.

Minutes respectfully submitted by,

Ele Griffin
