Just spoke with Bob and he has cancelled your board meeting this evening. If you have any questions you can give me a call at the Bethel Town Office.

Morning Kelly,

Thank you for letting us know about Chet. I only hope he recovers quickly. I'm sure I speak for the group that our thoughts and prayers are with him and his wife.

Under those circumstances, I think we should cancel our meeting. Since our chair does not have email could you contact him by phone Kelly and get his approval to cancel tonight's meeting? There is nothing earth shattering that is on the agenda that cannot wait until next month.

Thanks,

Sandy

Chet will not be attending the meeting this evening, we were just informed that he is in the hospital. His wife is supposed to phone us later and we will give you updates.
